NPA Cyber Security
SCQF Level 4

What skills will you gain?
This qualification is suitable for learners wishing to develop Cyber skills. This award will deliver foundation knowledge and skills in cyber security that will give learners a head start to progress to more advanced qualifications.

Entry requirements?
You should have evidence of successfully studying at level 3 and level 4 in science, maths and IT type subjects. You must demonstrate an interest in developing skills in cyber security and be keen to develop a career in this industry. Entry to this course requires a satisfactory reference.

How and where will I study?
You will study through face to face delivery at North Highland College UHI Thurso campus. Delivery starts in June with a one day induction, then from August on Fridays from 9.45am to 2.15pm.

Where will it take me?
On attainment you could progress to the HNC Computing or a course of study in a related field at North Highland College UHI.

How do I apply?
The senior phase programme offered at North Highland College UHI is embedded in your option choices at school. Once you have decided on the course you would like to apply for:
