

SFW Hairdressing

National 4

What skills will you gain?

You will work on five key elements which will give you an overview of the hair industry which you can then specialise in. You will look at salon awareness, working the salon, creativity and employability skills. It is recommended all students commence at this level of course regardless of academic ability as this provides the basic skills required in hairdressing.

Entry requirements?

You must be working towards National 4 level, demonstrate a keen interest in working within the hair industry and have a satisfactory reference.

How and where will I study?

You will study through face to face delivery by one of our lecturers at Alness Academy. Delivery starts from August on Fridays from 9.45am to 1.30pm.

Where will it take me?

On completion, you can apply for the National 5 Hairdressing course delivered at House of Morven, North Highland College UHI's Thurso campus.

How do I apply?

The senior phase programme offered at North Highland College UHI is embedded in your option choices at school. Once you have decided on the course you would like to apply for, please speak to your Guidance Teacher who will advise you on how to apply. We will not interview you for this course, so ensure you complete all sections on the application form, paying particular attention to your personal statement.
