

# Sound Production

Certificate in Higher Education SCQF level 7

## What skills will you gain?

You will study with our full time HNC Sound Production class. Learning can be tailored to fit around your individual school timetable and sound production interests. This is a great opportunity to have a taster of the sound production industry and commence your HNC studies whilst at school.

## Entry requirements?

You must have one pass at Higher level, demonstrate a keen interest in sound production and have a satisfactory reference.

## How and where will I study?

You will study through face to face delivery at North Highland College UHI Alness campus. Delivery starts in June with a one day induction, then from August at a day and time to suit your individual timetable. Classes are available on Mondays, Tuesdays and Wednesdays; please indicate your preferred day on your application form.

## Where will it take me?

On completion, you can progress onto HNC Sound Production and BA (Hons) Applied Music Production at North Highland College UHI.

## How do I apply?

The senior phase programme offered at North Highland College UHI is embedded in your option choices at school. Once you have decided on the course you would like to apply for, please speak to your Guidance Teacher who will advise you on how to apply. We will not interview you for this course, so ensure you complete all sections on the application form, paying particular attention to your personal statement.
